INVESTORS IN PEOPLE

Specialist Schools Trust

Dear Parent/Guardian,

During the first term of the GCSE Geography course, Y11 students studied the Extreme Environments unit. The examination for this unit will take place on Tuesday 24th January 2012. This will contribute towards 25% of their final grade. It is advantageous to perform well in this exam to avoid a future resit in June 2012 when students will already be busy with exam preparation for many other subjects.

This is to notify you that the Geography Department will be running after school revision sessions on the following dates:

- Monday 12th December
- Monday 19th December
- Monday 9th January
- Monday 16th January

CHARTER STANDARD SCHOOLS

SPORT ENGLAND SPORTSMARK

The sessions will be held in C9 and last 1 hour each (3:00 - 4:00).

Secondly, each student can access the **CC4 anywhere** online resource by visiting the web address below:

<https://cc4anywhere.st-maryshigh.wigan.sch.uk/>

Healthy School

To access this students are required to enter their school username and password. There is a full guide to this resource on the St. Mary's website.

The Nurture Group Network

This is a fantastic resource that includes revision notes, past papers, exam technique, videos and podcasts. This gives the students the opportunity to revise from home in preparation for the exam. Students are also welcome to access this in school at lunchtimes in C9.

We appreciate that students are giving up their free time but we hope that this will improve performance in the upcoming exam,
